SPECIAL THANKS TO WESTBURY ACCOUNTANTS, ARTLOGIC AND RE-TITLE westbury.co.uk artlogic.net re-title.com

p2. After a successful first edition London Gallery Day returns in 2014 bringing together over twenty contemporary art spaces in EC1 and WC1. This central area of London has quietly but steadily gathered a strong presence of commercial and not-for-profit galleries, among them internationally renowned dealers and young organisations that create a dynamic environment. London Gallery Day is an excellent occasion to explore the area and discover new spaces while attending special events and visiting a varied range of art projects.

On Friday 25 April galleries will extend opening times to 8 pm and previews of new exhibitions will take place at, omobaal, Hollybush Gardens and dalla Rosa (6 – 8 pm). On Saturday 26 the public will have the chance to visit the spaces between 12 and 8 pm, enjoying performances, talks, film screenings, and book launches. A map of the participant galleries with addresses and contact details will be available on the event's website , together with a schedule of London Gallery Day events – www.londongalleryday.com

EC1 and WC1 would like to thank Artlogic, re-title.com, and Wesbury Accountants for their support and sponsorship.
