### **Jost Münster**

Tintype Gallery, London

“Together for Now” is a lively small show by a German artist who questions painterly construction, spatial illusion, and how far a painting taken off a wall remains a painting. Everything looks edgy and provisional: abstract compositions strip away pictorial detail, flattening surfaces into abstract mosaics, while the installation “Night Saw White Again”, constructed from paint, canvas, bamboo, canvas and twine, is a three-dimensional line drawing, charcoal black, touched with pink and orange, suggesting embers.
